“Coming together is a *Beginning*;
Keeping together is *Progress*;
Working together is *Success*.”

Today, we are a trustworthy name in developing the best portfolio for manufacturing formulations with highest excellence. We have a huge contribution in pharmaceutical arena for manufacturing state of art medical compositions in affordable price limit. It was 1990 when the biggest dream of Late Keshavji Karsandas Thakkar i.e. serving people with quality medicines and weed diseases from the core took the shape of Kremoint Pharma Pvt. Ltd. His desire acted as a leap for mankind when he did not compromise with the quality of the pharmaceutical facility to provide utmost quality medicine at affordable price. His most eligible son Mr. Bhadresh Thakkar followed his footprint while continuing the legacy.

A most diligent and dependable team made it possible to continue our vision beyond the international border. We follow the strong guideline of quality. Thus our state of art manufacturing facility is designed in a way that it can meet major international guidelines and certifications.
